

Neutralization Rock Requirements

Item #	Bags	Max # Sinks	Poundage
32488 – 6 Gallon	1	2	50#
32490 – 5 Gallon	1	2	50#
32491 – 15 Gallon	3	4	150#
32492 – 30 Gallon	5	8	250#

NOTE: Quantities listed are for the initial fill of the tank. Your tank will require more rock as it neutralizes to a safe pH. It is recommended to have extra bags to top off the tank as required.
