To whom it may concern,

As per your request I am providing you with a letter of guarantee stipulating our adherence to Canadian Food and Drug Regulation and FDA regulations (21 CFR) and GMP practices for all products manufactured by Pano Cap Canada Limited. Pano Cap Canada is ISO9001:2015, FSSC22000 and IMS certified.

1. Pano Cap Canada guarantees that all products are manufactured in accordance with Good Manufacturing Practice and shall conform to the Canadian Food & Drug Regulations;
2. Pano Cap Canada guarantees that all ingredients and packaging materials shall meet agreed upon specifications, shall be food grade and packaged in food grade packaging materials, and complies with Division 23 of the Food and Drug Regulations of the Canadian Food Inspection Agency;
3. Pano Cap Canada guarantees that all ingredients and packaging materials shall be stored under conditions which preclude chemical, physical, microbiological, yeast, and insect contamination and transported in clean carriers, free of odours and filth, free of rodents, and/or insect infestation;
4. Pano Cap Canada ensures all our processes and agents are suitable for food grade manufacturing;
5. Pano Cap Canada will notify you of any changes that may impact the quality and functionality of the materials supplied.

Best regards,

Jim Sinclair  
VP of Operations and Engineering
