

# Tamco® Vertical Tanks

www.tamcoindustries.com

For over 40 years, Tamco Industries® has served as the manufacturing division of United States Plastic Corporation®. Most known for manufacturing rotationally molded tanks, Tamco has expanded its line of products to include fabricated tanks and hoods, injection molded fittings and spigots and extruded tubing. With the ability to customize products, Tamco is dedicated to meeting each customer's individual needs.

Along with efforts to develop new and innovative products for the market, Tamco Industries® continues to provide customers with the quality goods and services they have come to expect from the Tamco® brand.

Tamco® Industries is a division of United States Plastic Corp.®

www.tamcoindustries.com

## DESCRIPTION

Great for storing many industrial and agricultural chemicals, these tanks can be used both indoors and out.

- Made of a UV stabilized LLDPE
- Includes thread vented cover
- Polypropylene tank fitting with EPDM gasket
- Self-supporting
- Not for fuels, oils or wetting agents
- Maximum specific gravity: 1.8
- Maximum temperature: 140°F (160°F intermittent)
- Meets FDA standards, except lids

*Note: Do not use these tanks for wetting agents, fuels or oils. Tanks are not designed for pressure applications.*

## APPLICATIONS

- Potable Water Storage Tanks
- Holding Tanks
- Day Tanks
- Batch Tanks
- Chemical Supply Tanks
- Balance Tanks

*Note: For help selecting a tank or tank accessories for your specific application please contact our technical support department at 800-537-9724 or email them at [techsupport@usplastic.com](mailto:techsupport@usplastic.com).*

Revised 02/18/21

# Tamco® Vertical Tanks

www.tamcoindustries.com

Tamco® Vertical Tanks are available in either opaque black, blue or translucent natural polyethylene material. The translucent natural tanks make it easy to monitor your liquid level. The opaque black and blue tanks block UV light preventing algae growth and making them a good choice for outdoor applications.

## SPECIFICATION CHART

Natural Part #	Black Part #	Blue Part #	Nominal Capacity	Nominal Diameter	Nominal Height	Wall Thickness	Lid Size	Graduations	Fitting Size	Approximate Weight
