

Tamco® Jumbo Totes

DESCRIPTION

Designed with durability in mind, our Jumbo Totes can handle large loads and were made to withstand the rigors of storage and transportation in an industrial environment. Because these totes are rotomolded, they offer a thicker wall making them more durable than many other similar sized injection molded totes.

- Made of a UV stabilized LLDPE
- Totes nest to save space
- Come in an array of colors for color coding
- Rounded corners allow for easy cleaning
- Chemical resistant
- Rolled top edge allows for easy gripping & lifting
- Reinforcing ribs in ends & bottom for extra stability
- Maximum temperature: 140°F
- Meets FDA standards

USP Part #	Color	OD Length	OD Width	ID Length	ID Width	OD Height	Wall Thickness	Maximum Load Capacity	Gallon Capacity
55673	White	24"	20"	22"	18"	12"	1/8"	250 lbs.	18
55674	Black								
55675	Red								
55676	Blue
